

# CONSOLE LIGHT

**PLT 121 LX**

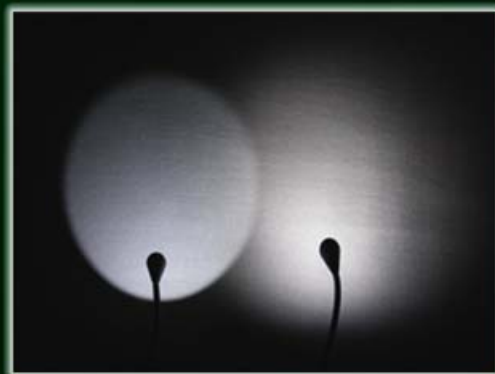

Equipped with a high performance 1 W Luxeon™ LED, this gooseneck lamp for lighting desks and similar applications offers the ultimate in functionality and performance.

The conical aluminium head provides a precise beam with low scatter.

Available in bright white (5500°K) and warm white (3200°K).

The light is fitted with a 3-pin XLR plug.

The integral voltage regulator (constant current source) has an operational range of 7 - 15 V.
