

LED CONSOLE LIGHT PLT 123

PROFESSIONAL LIGHTING
for sound- and lighting consoles

Timeless design combined with modern LED technology and high-quality processing characterize this LED console light. The robust construction of the lamp head (aluminum solid material, CNC milled) and the use of high-quality metal flex hoses shall meet the specific requirements for professional use of sound and lighting consoles. The high colour rendering index CRI above 90, creates a pleasant working environment for the user. A further feature of this lamp is the special radiation pattern of light, which was created by the shape of the lamp head and the LED lens optics. Upon request, the LED console lights can be ordered with our innovative, integrated electronics "Intelli-pinout". With this feature, the PIN assignment of your console will be detected automatically by the lamp. So the LED console light is immediately ready for use on almost all brands of consoles.

LAMP HEAD IN MODERN AND COMPACT DESIGN

very high
light quality
typ. CRI 96

PLT 123 FUNCTIONAL AND UNIVERSAL

Lamp head model PLT 123
 Ø 30 mm / Length 74 mm

Anodised in special colors (upon request)

Available in standard lengths
 380 mm / 15"
 540 mm / 22"

Configurable according to
 customer requirements...

Neutrik XLR connector straight or 90 ° angled, 3/4 - pole, for fixed mounting

Luminaire material	Aluminium milled, anodized / flexible hose of metal, laquered
Equipping	3 x OSRAM Oslon SSL 80 LEDs warmwhite 3000 K
Operating voltage	10-15 V DC
Power consumption	270 mA / 2.5 W (at 12 V DC)
Illuminance	700 lux at 30 cm distance
Beam angle	approx. 60 ° / directed beam, very soft, diffuse light cone / poor stray light
Colour rendering index	CRI above 90, typically 96
Connection type	Neutrik XLR 3 / 4 - pin, straight or 90° angled, for fixed mounting
Intelli-Pinout	Upon request with automatic Pin detection for high compatibility
Color variants	Standard housing color black, others upon request
Efficiency	Energy efficiency class A

Changes in technical parameters and design reserved.
